THE NEW

### EVERYTHING YOU WANT AND MORE.

ISUZU

Model shown is a 4x4 Automatic

Life is an adventurous drive - exciting, exhilarating but demanding and exacting at the same time. You need the capability to exceed all expectations, meet all challenges and yet deliver with panache. And when you go out on this journey, you need more than just muscle by your side - like the new ISUZU mu-X.

A supremely capable SUV, built tough with the muscle to match the most grueling environment, and yet with the most generous heart - a sanctuary for you and your family. A versatile machine, with a contemporary design inspired by the grace, grandeur and majesty of the eagle. Are you ready to experience the thrilling blend of capability and comfort?

ALL MUSCLE. ALL HEART.

### MORE THAN MAGNIFICENT.

ISUZU

Model shown is a 4x4 Automatic

The eagle is a true embodiment of freedom and ascendancy, soaring high above the sky with a majestic presence that inspires awe and admiration. The new mu-X takes design cues from the powerful and dominating eagle that adds to its commanding presence on and off the road. The Front Grille and Headlamps, with their sharp lines create an aura of an all-penetrating gaze. The Bi-LED Auto-levelling Projector Headlamps with LED DRL and a Guide Strip projects a powerful white light with long range to keep you focused on what's ahead. The newly crafted diamond cut Alloy Wheels, Shark-fin Antenna, LED Rear Position Lamps and crisp lines that flow from the front to the rear showcase a muscular yet aerodynamic machine.

### DOMINATE WITH MORE.

ISUZU

mu×

Model shown is a 4x4 Automatic

The engine in the new mu-X builds upon the legacy and learnings of the last 100 years of ISUZU; which gives the powertrain its unmatched capability.

The 1893 cm<sup>3</sup> (1.9 L) Ddi VGS Turbo Hi-Power engine offers 120 kW (163 PS) of power with a flat torque curve that gives the mu-X its formidable performance and total control for you on the highways. Its advanced anti-friction induction hardened cylinder bores, heavy-duty steel timing chain and graphite coated pistons all work in tandem to create a highly durable and reliable engine that delivers on all your expectations. Now dominate any kind of terrain, anywhere.

### MORE METTLE FOR YOUR PASSIONS.

Available in 4x2 and 4x4 variants

Model shown is a 4x4 Automatic

Wherever your passions may take you, the mu-X is engineered to drive you there. Thanks to the 'Shift-on-the-fly' 4x4 select dial with low and high range, the transition from street to off-road driving is seamless, making you an unstoppable force. With excellent ground clearance and superior approach, departure and breakover angles, the mu-X has the capability to confidently get you in and out of just about anywhere. It is also equipped with a double-wishbone front suspension, a heavy duty gearbox and a wide track with a long wheel base for extra stability, and front steel underbody plate for protection, so that you have more than enough muscle to take on even the most challenging terrains.

Driver, front passenger, front side and full length curtain

Confidently challenge any road or weather conditions because the new mu-X is more than prepared to protect you. The high tensile steel body with tailor-welded blanks and crumple zones with anti-intrusion bars create a protective cocoon for you and your family. To give you a more controlled drive, the new mu-X comes with Hill-Descent Control (HDC), to keep you sure-footed on every adventure. It packs an array of active safety features like Electronic Stability Control (ESC), Traction Control System (TCS), 4- Channel 4-Sensor Anti-Lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD). On the other hand, front seat belts with pre-tensioners and load limiters, and 3 ISOFIX child seat anchorages make for a comprehensive passive safety system. And for adverse scenarios a 6-Airbag system ensures protection for you and your family.

### MORE SPACE FOR EVERYTHING.

Model shown is of 4x4 Automatic

It's a crowd-pleaser outside but on the inside, it's a family-pleaser through and through. The new mu-X is a spacious 7-seater with a supremely comfortable interior, now reimagined in a luxurious black avatar. The new soft pad dashboard and trims add a touch of refinement and the ergonomics of the twin-cockpit design make the controls easily accessible to the driver and the front passenger. While the Quilted Leather Seats, adjustable head-rests and other creature comforts keep you cozy inside, the penta-link rear suspension adds to the comfort on long drives. A unique feature of the mu-X is the spacious and comfortable third row with an easy ingress and egress made possible by a quick one-touch tumble second-row seat. The mu-X is not just luxurious on seating space but is also versatile with a range of storage spaces. All in all, the new mu-X feels as good as it drives.
