## **About RVSF (Registered Vehicle Scrapping Facility)**

The Voluntary Vehicle Scrapping application or vscrap portal allows motor vehicle owners to submit online application for scrapping their old vehicles at any Registered Vehicle Scrapping Facility (RVSF) in the country. The RVSF can accept the application form, transfer the scrap value for old vehicle directly in owners bank account and generate certificate of deposit(CD) Certificate of deposit (CD) is issued to vehicle owner as a proof of submitting the vehicle for scrapping. The CD can be used for trading; it has financial benefits also. Certificate of Vehicle Scrapping (CVS) will be issued after the procedure of dismantling and disposing of the vehicle has been completed.

Vehicle scrapping application will provide motor vehicle owners to phase out new/old and/ or unfit vehicle seamlessly. It will help to boost the automotive sector and also provide checks on vehicular pollution. This will also encourage the setup of inspection and fitness centres and scrap yards to judge the condition of vehicles and then subsequently scrap the vehicles. The vehicle owners can voluntarily choose to scrap the damaged / unfit vehicles based on state or union government regulation. This facility will be available online for those vehicles which are registered in VAHAN. Certificate of Deposit (CD) will be issued to the vehicle owner who has submitted the vehicle for scrapping. The CD can be used for trading; it has financial benefits also. Certificate of Vehicle Scrapping (CVS) will be issued after the procedure of dismantling and disposing of the vehicle has been completed.
