## **WHAT IS BMW MOTORRAD SAFARI?**

Motorrad Safari is a tour-based concept for the adventure enthusiast in you. The package not only promises loads of fun, but is also sure to help you learn a skill or two.

It is a way of celebrating your love for riding and going to places unexplored. A once-in-a-lifetime opportunity to experience the ultimate off-roads, the hairpin bends, and even the long winding highways.

The Safaris will operate for 2 to 5 days as a point-to-point tour, but sometimes with the start and finish at the same location. You will be expected to go at your own pace. Plus, you will also receive invaluable insights along the route.
