# Introducing Dacia Duster

Explore the great outdoors. Explore the great indoors. Do both with Dacia Duster. With its spacious interior, rugged body and go-anywhere 4x4 capability, it's the perfect car for getting away from it all.

Practicality and functionality are at the heart of Duster's clever design. It can carry up to 5 people and has up to 475 litres of boot space to house their luggage. With the back seats folded down, Duster's load capacity expands up to 1,636 litres. Folding the front passenger seat down also means you can transport objects up to 2.65 metres long. Useful? Thought so.

Thanks to Duster's rugged good looks, practical still means attractive. Flared wheel arches and a raised ride height make Duster muscular and protective when the going gets tough. Yet its subtle chrome front grille and double optic headlamps are effortlessly elegant on the open road or about town. There's function behind the form, too: Duster's high ground clearance and wide approach and departure angles are designed to tackle difficult obstacles over tough terrain. Beneath the surface, a selectable 3-mode 4-wheel-drive system, developed using Nissan's expertise, also provides grip where you need it most, off the beaten track or during hazardous road conditions.

Times have changed. Driving a 4x4 used to be the reserve of a privileged few. With Dacia Duster, it's a pleasure more of us can enjoy. Priced from just £8,995 on-the-road, Duster offers supersize space for supermini prices. Its economical and ecological dCi 110 diesel engine achieves over 50mpg on the combined cycle and emits exceptionally low levels of CO<sub>2</sub> for an SUV: just 130 g/km on 4x2 versions and 137g/km on 4x4 versions. All of which adds up to real savings, for you and the planet.

Because everybody's different, Dacia Duster concentrates on the essentials rather than the unnecessary. With three simple trim levels, two engines and a range of accessories, it's easy to choose the Duster to suit you. From the brilliantly simple Access, to the elegant, air-conditioned Lauréate, there's a Dacia Duster for everyone.
